## Home School Agreement

Reviewed January 2023

**We wish to create a culture of learning, where children are happy, enthusiastic, motivated and ambitious.**

**We encourage mutual respect, support and collaboration between all adults and children, both within the school and in the wider community.**

**We believe that it is important to provide a secure, caring and stimulating environment for all our children, thereby promoting a sense of pride in our school.**

**This can be done most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals, as detailed in our home/school agreement.**

**To support effective relationships between home and school we ask that parents read our Respect Policy, which can be found on the Key Information—Policies section of our website.**
