Ladybrook PTA Newsletter

Welcome back to all of our Ladybrook Families, particularly those who are new to the school. We hope your children are settling in well and adjusting to their new routine. For those of you who have attended the welcome meetings, you may have heard a lot of this information from us already, but here are some key reminders for anything you may have missed. We'd like to invite you to meet us in the Ladybrook Pub at 7pm on Tuesday 22nd September to meet, have a drink, give your ideas and help with our planning - the more the merrier, everyone is welcome.

PTA Fundraising Update

In our Summer Term we raised £5356 for our PTA funds. Thanks to all of you for your support.

This year we are focusing on raising money to support investment in our school's resilience for managing learning and play during our increasingly warm summers. Research is underway to invest in a project which we hope will combine the installation of air conditioning to classrooms, with solar panels embedded in the roof of outdoor shelters. An ambitious project, aiming to improve our local environment within school while minimising overall environmental impact.

We hope you will join in supporting our events this year. If anyone has Match Funding available from their employer, please get in touch with us as this is an easy way to boost our funds.

Summer Disco*	- Friday 2 nd July
Summer Fair	- Saturday 10 th July

*Sadly, the Spooky Disco, Summer Disco and Infant Movie Night are not available for Nursery Children but can be enjoyed from Reception onwards.

Class Reps Needed

If you are a parent in Nursery or Year 1 and would be willing to join the PTA Class Reps Whatsapp group to pass on essential messages and updates to your year group, please let us know.

There is no obligation to get involved in organising any events - it is merely to aid communication and ensure all year groups remain equally informed.

Volunteering - We need your help!

The ability to run our events and their success depends on our parent/carer/ex-pupil/staff and grandparent volunteers who help us in the coordination, preparation and on the day itself. We have set out our event list in an easy to complete microsoft form, the QR code for which is on the next page. Please can all families take some time to consider which events they may wish to help with - all input in the planning and delivery is gratefully recieved and will help share knowledge and experience to ensure our PTA continues well into the future.....This form will remain open all year.
