

LADYBROOK NEWSLETTER

April 2024

Welcome back to the Summer Term

It was lovely to see so many children coming back into school wearing their school uniform and smart school shoes this week.

During the glorious weather that we are currently enjoying, we would like to encourage children to bring a cap to wear at lunchtime whilst playing outside.

The School Curriculum

Personal, Social, Health Education (PSHE)	Literacy	Mathematics	Religious Education
Science	Design Technology	History	Art and Design
Physical Education	Music	French	Computing
			Geography

This month we focus on RE as our final school subject. The RE curriculum is not currently part of the national curriculum, but is agreed on a local basis by SACRE (the Standing Advisory Council for Religious Education.) Our approach at Ladybrook is to encourage curiosity, questioning and debate amongst the children. The syllabus prepares our pupils for active citizenship in a diverse and rapidly changing world. It also explores some aspects of British values in relation to religions and world views which tie in with our school values.

Learning highlights at Ladybrook this month

- ⇒ *Girls' Football match @ St Paul's Primary*
- ⇒ *Years 3/ 4 to St Michael's church to take part in their Easter event.*
- ⇒ *Year 5 to Bramhall High School—Young Leaders Event*
