

# LADYBROOK NEWSLETTER

July 2024

## Tough Mudders

We are always proud of our children when they do something that will help others.

Recently Elias, Rio and Jude completed the Tough Mudder event at Heaton Park, raising just under £1000 for a Children's Cancer Charity of money. Congratulations boys!

## *Newspaper Request*

*We still use newspapers—where possible—to line our tables for painting and printing activities. We wondered whether any parents have access to unwanted and used newspapers (suitable for our readers to be aware of!) If so, please do send them in in September. Thankyou*

## Anti Racism Training

Ladybrook is involved in a Stockport wide training opportunity. Over this past term, Mrs Woosnam and myself have been involved in some in depth training focused on becoming an anti-racist school. We have been reflecting upon our school's culture and environment, thinking about the extent to which our workplace enables everyone to speak up about micro-aggressions and planning our next steps as a school. In the autumn term all school staff will have the opportunity for similar training in school. In the spring term the children will have their own training. Meanwhile we will be working on an Anti-Racism Policy for Ladybrook to support all our school community.

Ladybrook Primary School PTA

# LOOK WHAT WE DID

2023-2024 School Year!

We're thrilled to share the incredible results of this year's fundraising efforts. Thanks to YOUR support, we've raised the incredible amount of £13,000!!!

## WHERE DID THE FUNDS GO?

Thank you! We couldn't do it without you!

A **mystery bike** has been abandoned on school property—this occurred over a weekend. Up to now nobody has contacted school to claim it. We will dispose of it in September. If you know of anyone missing a child's bike—please do let us know as we would prefer to return it to its rightful owner

### *Learning highlights at Ladybrook over this last few weeks!*
