June 2024

Sensory Room and Teaching Hub

We want to give a huge thankyou to our PTA and the whole school community for making this happen! In the main building, we now have a dedicated teaching room for small groups and individual children together with a sensory room for which the children are planning the decoration and resourcing. The

main room is already in use!

Entrance to new rooms. The main room is a teaching room for individuals and small groups.

Sensory Room above—to be equipped with blackout blind, soft furnishings, twinkly lights and projector.

'Break the rules' results—£464.50 was raised for Comic Relief—Well done everyone!

Come and Play at the Halle

Our musicians had a great morning playing and singing at The Bridgewater Hall last week. Thanks must go to our amazing instrumental teachers who all accompanied us and to Mrs Gadd who organised the event. This was a fabulous opportunity for our children to play along with a professional orchestra, who were absolutely amazing!

SPORTS DAY

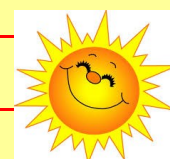

Our junior Sports morning went off without a hitch. There were lots of parents able to attend to cheer the children on. We are looking forward to the infant event which takes place on Thursday from about 1.10pm. We look forward to seeing parents at this event.

Learning highlights at Ladybrook over this last few weeks!

- * Y4 Crowden Geography Field trip
- * Nursery and Reception Reddish Vale trip—Excellent behaviour from all the children during this first trip Well done
- * Musicians—Come and Play at The Halle
